

Gives New Life

Strengthens the Nerves.

When the blood is impure the whole nervous system becomes poisoned. It is impossible to throw off that terrible depression; and there is no ambition to work. But there is a way whereby you may again be strong and vigorous.

Mr. Charles Richardson, of 37 Howick Street, Launceston, Tasmania, sends us his photograph and the following letter:

"Once my arms were covered with sores that were worse than boils. They were deep-rooted in the flesh and caused great suffering. My blood was in an awful condition. At one time I had a severe attack of influenza. I could neither eat, sleep, nor work, and I never expected to recover."

AYER'S Sarsaparilla

cured me from both of these violent attacks. The first time I took it, it did me good. My system, and the last time it built me up and gave me new life. Now I am strong, work hard, and sleep well."

Ayer's Pills are a safe and sure cure for all liver troubles. They are purely vegetable.

Rev. J. F. Tout of the Disciples Church, Ashland, Or., has been engaged for the Anti-Saloon League work in Oregon, and will make Eugene, Or., his headquarters. He will publish the Home Defender in connection with his field work.

The J. C. of Pittsburg, who are about completing their splendid new temple, have declined a generous offer from Mr. Carnegie to contribute to the expense of a new organ. For a hospital they will thankfully accept any aid or gift from Carnegie or others.

As to the Jewish colonies in Argen- tina, founded by Baron Hirsch, a writer says that many of the colonists who had left their homesteads and settled in the towns are now returning to the colonies. Those who worked and wait- ed now enjoy already the fruits of their labors, having laid the foundation for

receipts of the union—so that the total expenditure on the missions was about \$1,000,000.

Discussing the Zionist movement, to which it is opposed, The American Israelite (September 5) declares: "Only a small part of Palestine is fit for agri- culture, and this portion is fully occu- pied and has been for centuries. While it is possible that by extensive irrigat- ing canals the area of tillable soil might be increased, it is certain that this would require a long time and an im- mense outlay of money, of which the entire \$2,000,000 the Zionists are trying to get into their colonial fund would only be a part. To encourage further immigration to Palestine is now worse than a folly, it has become a crime."

In drawing a comparison between the war spirit of Christians and Buddhists in China, "Japan and America" (Sep- tember) says: "The Christians have lev- elled assessment for loss of life; the Bud- dhists have refused to demand pay- ment for blood shed in anger and blind fury. The Christians, according to General Chaffee, who fears nothing save a lie and dishonesty, have a slid- ing scale of these life assessments. In one town the assessments for indemnity exacted, or sought to be exacted with the approval of the American com- mander, was \$17.50; in another, it was \$48; in a third, it was \$15; and in a fourth, it was as much as \$350."

It is contended by The Universalist Leader (September 5) that Professor Harnack of Berlin, in his recent lec- tures on the "Fundamentals of Chris- tianity," has taken the most extreme ground thus far occupied by German nationalism, pursuing its investigations under the Christian name. It says: "He has advanced so far as to declare that the person and work of Jesus formed no part of the Gospel that the Messiah preached; that, he contends, 'consisted in faith in God as Father.' The sweeping nature of this declaration will be at once evident. If this German theologian was followed in his destruc- tive position, the New Testament would require to be entirely rewritten and re- constructed, and all the utterances ascribed to Christ in regard to his per- sonality and work would have to be eliminated—cast aside as rubbish to the void' when Harnack would make his 'Fundamentals' complete."

The Baltimore Sun says: The Catholic University of America has sent to Ma- nila Celestine Sullivan, a newspaper man of Atkinson, Kas., to promote Catholic education in the Philippines.

Benefited by the abundant wheat har- vest of the present year, the Congre- gational churches at Paso Robles and San Miguel, Rev. F. W. Reid, pastor, have doubled their offerings for foreign missions, and intend to give more lib- erally to all church enterprises.

The German Congregational Church at Ritzville, Wash., was dedicated on September 1st. The building cost \$6,000 and has a seating capacity of about 500 people. Dr. Everz, superintendent of German work, delivered the principal address.
